

Statement regarding 2020 CBI

March 11, 2020

Statement from the Gazelle Group regarding the College Basketball Invitational:

Due to the uncertainty about the coronavirus and the impact it is having on college campuses across the country, we have decided to cancel the 2020 College Basketball Invitational.

As colleges and universities are making difficult and complex health and risk management decisions about conducting sporting events, it became apparent to us that this was the most prudent course of action.

We look forward to bringing the CBI back in March of 2021.
