

# **THE GAZELLE GROUP IS EXCITED TO WELCOME ISAIAH VICK TO NIL REPRESENTATION ROSTER**

**FOR IMMEDIATE RELEASE**

**Princeton, NJ – December 12, 2025**

The Gazelle Group is proud to announce the signing of Isaiah Vick, a 6'7" wing from Wingate University whose combination of size, basketball IQ, and refined skill set has established him as one of the most promising rising talents in collegiate basketball.

Known for his polished offensive game and ability to score at all three levels, Vick pairs his scoring ability with strong defensive versatility. His length, athleticism, and instincts allow him to guard multiple positions, making him a valuable two-way presence on the floor.

“We’re extremely excited to welcome Isaiah Vick to the Gazelle family,” said Kevin Nckelberry, Vice President of Development in NIL at the Gazelle Group. “Isaiah has the perfect combination of size, explosiveness, and skill, and he’s a great shooter who can impact the game at a high level. We believe his talent and work ethic position him for continued success as he takes this next step in his journey.”

As he begins his collegiate journey at Wingate, The Gazelle Group looks forward to supporting Vick's development on and off the court through opportunities within its Name, Image, and Likeness (NIL) portfolio.
